For products on the middle beams, the tags should attach to the racking in line with the product

For products on the floor, and the pedestal fans, attach the cards directly to the products

Tear Pads: 8.5" x 11"

Description	Qty	Item#
Air Conditioner Feature Tear Pad	2	NA

Install tear pads with zip ties as shown in this example. Install one to hang from the beam to the right of the pedestal fans. Install the other on a beam among the air conditioners.
